No kindness  
When there's lack of dignity  
Politeness  
Has to join simplicity  
No caution  
Without pure sincerety  
Compliance  
Has to join with bravery

No mildness  
Without some solidity  
No power  
Without simple honesty  
No courage  
Without justice joined within  
Good nature  
And discretion makes a team

No mildness  
Without some solidity  
No power  
Without simple honesty  
No courage  
Without justice joined within  
Good nature  
And discretion makes a team

Makes a team
