She lived in limbo
Time showed no mercy
Until a man in grey gave her
Doses of a sweet poison
She got hoodooed, voodooed
She finally got released
She stirred huge cauldrons
With toads and henbane and...
Spiderdust, spiderdust!
Hotchpotch for haunted lusts
Spiderdust, spiderdust!
Hotchpotch for the evil-eyed
Spiderdust, spiderdust!
Hotchpotch for spellbound lusts
Spiderdust, spiderdust!
Hotchpotch for the demonized...
She got voodooed, hoodooed
She got finally redeemed
She stirred huge cauldrons
With toads and henbane and...
She bred toads
She got burnt
