I'm coming back to the start
where You found me
I'm coming back to Your heart
now I surrender
take me
this is all I can bring

I'm coming back to the start
our God is freedom
and here we feel Your heart
Your heart beat for us
take me
this is all I can bring

Chorus:
You'll never stop loving us
no matter how far we run
You'll never give up on us
all of heaven is shouting
let the future begin
let the future begin

take me
this is all I can bring
You'll never stop loving us
no matter how far we run
You'll never give up on us
all of heaven is shouting
let the future begin

I feel alive
I come alive
I am alive on Gods great dance floor
I feel alive
I come alive
I am alive on God's great dance floor

I feel alive
I come alive
I am alive on God's great dance floor
I feel alive
I come alive

I am alive on God's great dance floor

I feel alive

I come alive

I am alive on God's great dance floor
