I feel like singing now
My heart is free

You've forgiven me
Your name's the sweetest sound to my ears,
Lord hold me near

I'm in love, love with You
Like I never dreamed
I'm in love, love with You
And I'm flying free

From the things that tie me down
I'm walking on the ground
I'm in love, love with You

You're all I think about
Day and night all the time
How you make my world

Go 'round and make it stop
You're all I got
