In the secret, in the quiet place  
In the stillness You are there.  
In the secret, in the quiet hour I wait,  
Only for You, 'cause I want to know You more;

I want to know You,  
I want to hear Your voice  
I want to know You more.  
I want to touch You,  
I want to see Your face  
I want to know You more.

I am reaching for the highest goal,  
then I might receive the prize.  
Pressing onward, pushing every hindering aside,  
Out of my way, 'cause I want to know you more

I want to know You,  
I want to hear Your voice  
I want to know You more.  
I want to touch You,

I want to see Your face  
I want to know You more.

I want to know You,  
I want to hear Your voice  
I want to know You more.  
I want to touch You,  
I want to see Your face  
I want to know You more.

In the secret, in the quiet place  
In the stillness You are there
