The cross before me, the world behind
No turning back, raise the banner high
It's not for me
It's all for You

Let the heavens shake and split the sky
Let the people clap their hands and cry
It's not for us
It's all for You

Not to us
But to Your name be the glory
Not to us
But to Your name be the glory

Our hearts unfold before Your throne
The only place for those who know
It's not for us
It's all for You

Send Your holy fire on this offering
Let our worship burn for the world to see
It's not for us
It's all for You, for You

Not to us
But to Your name be the glory
Not to us
But to Your name be the glory

The earth is shaking, the mountains shouting
It's all for You
The waves are crashing, the sun is raging
It's all for You

The universe is spinning and singing
It's all for You
Your children dancing, dancing, dancing
It's all for You, it's all for You

My all for You
My all for You

Not to us
But to Your name be the glory
My all for You
Not to us
But to Your name be the glory

Not to us
But to Your name be the glory
Not to us
But to Your name be the glory
My all for You
