Water you turned into wine
Opened the eyes of the blind
There's no one like you
None like you

Into the darkness you shine
Out of the ashes we rise
There's no one like you
None like you

Our God is greater
Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God

Into the darkness you shine
Out of the ashes we rise
There's no one like you
None like you
Our God is greater
Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God

Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God

And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against

Then what could stand against

Our God is greater
Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God

Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God

And if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against

Then what could stand against

Our God is stronger
God you are higher than any other
Our God is Healer
Awesome in power
Our God
Our God
