Caught in the half-life, I'm caught alone  
Waking up to the sunrise and the radio  
Feels like I'm tired of, what's holding me?  
Just praying today will be the day I go free

I want to live like there's no tomorrow  
I want to dance like no one's around  
I want to sing like nobody's listening  
Before I lay my body down

I want to give like I have plenty  
I want to love like I'm not afraid  
I want to be the man I was meant to be  
I want to be the way I was made

Made in Your likeness, made with Your hands  
Made to discover who You are and who I am  
And all I've forgotten help me to find  
Of all that You've promised let it be in my life  
I want to live like there's no tomorrow  
I want to dance like no one's around  
I want to sing like nobody's listening  
Before I lay my body down

I want to give like I have plenty  
I want to love like I'm not afraid  
I want to be the man I was meant to be  
I want to be the way I was made, oh  
The way I was made, oh

I want to live like there's no tomorrow  
I want to dance like no one's around  
I want to sing like nobody's listening  
Before I lay my body down

I want to give like I have plenty  
I want to love like I'm not afraid  
I want to be the man I was meant to be  
I want to be the way I was made  
I want to be the way I was made  
I want to be the way I was made
