"White Flag"

The battle rages on
As storm and tempest roar
We cannot win this fight
Inside our rebel hearts
We're laying down our weapons now

We raise our white flag
We surrender
All to You
All for You

We raise our white flag
The war is over
Love has come
Your love has won

Here on this holy ground
You made a way for peace
Laying Your body down
You took our rightful place
This freedom song is marching on

We raise our white flag
We surrender
All to You
All for You

We raise our white flag
The war is over
Love has come
Your love has won

We lift the cross
Lift it high, lift it high
[x8]

We raise our white flag
We surrender
All to You
All for You

We raise our white flag
The war is over
Love has come
Your love has won

We raise our white flag
We surrender
All to You
All for You

We raise our white flag
The war is over
Love has come
Your love has won

We lift the cross
Lift it high, lift it high
[x4]
