I open my mouth
And You speak for me
You moved the mountain
And rolled back the sea

And I will not be afraid
I will never be ashamed
For You are with me
You are with me

And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with me

You open Your hand
And You reach for us
You are the motion
Of the universe

And I will not be afraid
I will never be ashamed
For You are with me
You are with me

And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me

I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
If You're not with me

I open my mouth
And You speak for me
You moved the mountain
And rolled back the sea

I've seen enough to know
That You're my only hope
I don't want to go

And I've seen enough to know
That You're my only hope
I don't want to go
If You're not with me
(I've seen enough to know)
If You're not with me

And I will not be afraid
I will not be afraid
No, I will not be afraid
I will not be afraid
(I will not be afraid, I will not)
'Cause You are with me
