The sun's going down  
on today  
and time flies so slow  
it's killing me  
thoughts of you wrapped inside my head  
a moment in time  
we're on again

through the days  
i wait  
yes i wait for you  
through the night  
i crawl  
yes im crawling back to you  
she's good  
for me

and i won't forget  
this night  
and i will recall  
your face again

thoughts of you wrapped  
inside my head  
a moment in time  
we're on again

you're reaching out to the shore  
i fall behind  
my hands are tied here for you  
oh  
she's good for me

through the days  
i wait  
yes i wait for you  
through the night  
i crawl  
yes im crawling back to you  
she's good  
for me
