Got you
by my
side you know it's worth it
reeling
for anything
but yourself
slowly
slowly
can you hear me out hear
faster
come on
we can be forever

you
are sweet with me
you're sweet with me too

crazy
for you
standing there before me
waiting
for anything
we can be

slowly
slowly
i am fading out here
faster
come on
we can be forever

you
are sweet with me
you're sweet with me too

it's the perfect time of day
you're beautiful you're beautiful and
i am asking you to stay
sweet with me too

you
are sweet with me

you're sweet with me too
