Cash, Dash, EZ Pass

Iâ€™m gonna ride that tunnel â€™til the babies hatch  
I keep it locked down throw away the key  
The mission is to find the hypest party

Iâ€™m singinâ€™, Cash, Dash, EZ Pass

Iâ€™m gonna ride that tunnel â€™til the babies hatch  
I keep it locked down throw away the key  
My second home is known as New York city

With your limp leg youâ€™re trailinâ€™ behind me  
I jumped the turnstyle you had to pay the fee  
Meet me down on Orchard Street  
Collectinâ€™ dirty looks from the hot mommies

I sell the streets of soul, Yo-ho-ho  
Give me the booty you can smoke my treason  
Yagahoy, itâ€™s a nipple season  
Prada gets biggups for being the reason

Iâ€™m strung workinâ€™ with my tongue  
Five grams of hash are coatinâ€™ my lungs  
Start the party at pharmacy  
Where I pop a couple pills and freak the whole scene

Cash, Dash, EZ Pass

Iâ€™m gonna ride that tunnel â€™til the babies hatch  
I keep it locked down throw away the key  
The mission is to find the hypest party

Singinâ€™ Cash, Dash, EZ Pass

Iâ€™m gonna ride that tunnel â€™til the babies hatch  
I keep it locked down throw away the key  
My second home is known as New York city

Dj. Dj. Can you play some more Minogue?  
And keep up with the tracks that everybody knows  
Cut to some Har Mar then that Pharcide beat  
Howâ€™s that shit go she keeps passinâ€™ me  
By, by, the Brooklyn side  
Enids and the boat keep my float far from dry  
I try to resist but my body begs it

Apple martinis at the last exit

Keep it goin' all night long  
Everybody rockin' velvet thongs  
Rubbin' up on me soft and sweet  
That's how you rise the power with a fucked up beat

Cash, Gas, EZ Pass  
I'm gonna ride that tunnel 'til the babies hatch  
I keep it locked down throw away the key  
The mission is to find the hyppest party

Singin' Cash, Gas, EZ Pass  
I'm gonna ride that tunnel 'til the babies hatch  
I keep it locked down throw away the key  
My second home is known as New York city

Cash, Gas, EZ Pass  
I'm gonna ride that tunnel 'til the babies hatch  
I keep it locked down throw away the key  
The mission is to find the hyppest party

Singin' Cash, Gas, EZ Pass  
I'm gonna ride that tunnel 'til the babies hatch  
I keep it locked down throw away the key  
My second home is known as New York city
