Oh yeah

School's out
It's all about
Having tons of fun
In the winter sun
We got snow
I wanna go
On a winter ride
With you by my side

And all I wanna do
Is spend my holiday with you
It's my favorite time of year
But you're not here no

It's gonna be a cold kissless Christmas
A lonely kissless Christmas
What will I do
With you
I wanna go
Under the mistletoe
I'm gonna miss your kiss this Christmas
And you were at the top of my wish list
I guess this year my wish won't come true
Cause it's Christmas without you

I'm upset
When will you get
The little something from me
Underneath the tree
It's not fair
I wanna share
Everything I do
With only you

You know it brings me down
Whenever you are not around
My favorite time of year
Disappeared no

It's gonna be a cold kissless Christmas

A lonely kissless Christmas
What will I do
With you
I wanna go
Under the mistletoe
I'm gonna miss your kiss this Christmas
And you were at the top of my wishlist
I guess this year my wish won't come true
Cause it's Christmas without you

(Christmas time)
And I'm without you
(Christmas time)
And I don't know what to do
I'm gonna miss your kiss
I'm gonna lose my mind
I wanna taste your lips
Baby one more time yeah yeah yeah yeah oh no

It's gonna be a cold kissless Christmas
A lonely kissless Christmas
What will I do
With you
I wanna go
Under the mistletoe
I'm gonna miss your kiss this Christmas
And you were at the top of my wish list
I guess this year my wish won't come true
Cause it's Christmas without you

Christmas without you
Christmas without you
