I remember you callin' sayin'
That things were through with us
I had a hard time dealin' with it
Just started moving on

Got back my feelin', chillin'
Started healin', gettin' back even
Now you seem to be everywhere lately
Too much to be coincidentally

Why you wanna lead me on?
I'm not the boy you want (No no)
So girl don't
Keep me hangin'

(Chorus)
You won't let me let go
Got me thinking its on
Girl, you know that you're wrong
You won't
You won't let me let go
Always ringing the phone
Goodbyes don't mean hello
Love me, leave me alone
You won't
You won't let me let go

You won't
You won't let me let go

When I finally started datin'
Making moves on the single scene
I never seen you so jealous
Tellin' the other girls that you're still with me

You might think it's funny, honey
I ain't laughin
You know I think I've got it
'Cause you seem to be everywhere lately
Too much to think coincidentally

Why you wanna lead me on?
I'm not the boy you want
So girl don't
Keep me hangin'

(Chorus) 2x
You won't let me let go
Got me thinkin' its on
Girl, you know that you're wrong
You won't
You won't let me let go
Always ringing the phone
Goodbyes don't mean hello
Love me, leave me alone
You won't
You won't let me let go

(Let me let go)
You won't
You won't let me let go

You won't let me let go
Got me thinkin' its on
Girl you know that you're wrong
You won't
You won't let me let go
