Love's Gonna Getcha

Think you've got all the answers
Well think again my friend, cause
I've got some news for you that might just change your
life
Cause lately I've been thinking
And I just can't keep it in
I need to tell you baby just what's on my mind

Cause your name is forever written in my heart
And this time it's not a game
Can't you feel it taking over
Cause there's no way you can fight it

Chorus

It's gonna getcha, someday I betcha
It's gonna take you by surprise
Right before your eyes
It's gonna getcha, just wanna let you know
You can't run, you can't hide
Love's gonna getcha this time
(IT'S GONNA GETCHA)

Can't you feel the attraction
It's time to take some action
Go with the flow and let your heart show you the way
My mind is set on winning
And there's no way I'll give in
This ain't no fantasy, my love is here to stay

And I swear I will love you til the end of time
Call my name and I'll be there
Can't you feel it growing stronger

Cause there's no way you can fight it

Chorus

It's gonna getcha, someday I betcha
It's gonna take you by surprise
Right before your eyes
It's gonna getcha, just wanna let you know

You can't run, you can't hide
Love's gonna getcha

Cause love can make you lose control
And who knows what the future holds
But when it feels so right you must let go
Cause I know.....

It's creeping up behind you
Love's gonna surprise you
Nowhere you can run to
Nothing that you can do
Set your heart on fire
Fill you with desire
Feel it getting stronger
Can't hold out much longer

It's gonna getcha this time
Oh oh, oh oh...baby.
(It's gonna take you by surprise)
It's gonna take you, baby.
Oh oh oh woah oh...
You can't run, you can't hide
Love's gonna getcha this time
Yeah...it's gonna take you this time
Oh oh...you can't run, you can't hide
Love's gonna getcha this time
(It's gonna getcha)
