There's something bout the way you see right through
me
It's as if you knew me
In another world
There's something bout your touch, well it gets to me
It sends a shot right through me
Like it was a girl

Ooh when you dance with me (dance)
When you hold me tight (tight)
I can feel your heartbeat (heart) close to mine (mine)
I'm so afraid cause i never wanna let you go, (never
wanna let you go, oh)
no-oh-oh
When you dance with me (dance)
The world stands still (still)
Just you can me (me) and nobody else (else)
When you dance with me
You touch my soul (you touch my soul)
soul-oh-oh-oh

There's somethin bout your voice, when you whisper
I just wanna kiss ya
All night
There's somethin bout your hands, they make me
quiver
Oh they send a shiver
Up and down my spine

Oh-oh-oh when you dance with me (dance)
When you hold me tight (tight)
I can feel your heartbeat (heart) close to mine (mine)
I'm so afraid cause i never wanna let you go, (never
wanna let you go)
no-oh-oh (oh)
When you dance with me (dance)
The world stands still (still)
Just you can me (me) and nobody else (else)
When you dance with me
You touch my soul (you touch my soul)
soul-oh-oh-oh

When I dance with you
we're spinning round in circles, in a shallow room
There's somethin bout that way that your body moves
oh the way it moves oh-oh-oh-oh-oh-OH

When you dance with me (dance)
When you hold e tight (tight)
I can feel your heartbeat (heart) close to mine (mine) {I
can feel your heartbeat ya}
I'm so afraid {oh} cause i never wanna let you go,
(never wanna let you go, oh)
{I never wanna let you go no no} no-oh-oh
When you dance with me (dance)
the world stand still (still) {the world stands still}
Just you and me (me) and nobody else (oh else)
{nobody else}
When you dance with me
You touch my soul (you touch my soul)

You touch my soul oh-ol
So free baby, baby
oh, oh-oh-oh-oh-oh-oh
ah-ah-ah-ah

when you dance with me (dance)
when you hold me tight (tight)
I can feel your heartbeat (heart) close to mine (mine)
so afraid
never wanna let, never wanna let you go-oooh-woah
when you dance with me (dance)
the world stand still (still)
just you and me (me) and nobody else (oh else)
nobody el-el-else
you touch me soul-ol-ol-ol-ol-ol-ol

when you dance with me (dance)
when you hold me tight (tight) {hold me ti-i-i-ight}
i can feel your heartbeat (heart) close to mine (mine)
I'm so afraid cause i never wanna let you go (never
wanna let you go)
{cause i never wanna let you go}
when you dance with me (dance)
the world stands still (still)
Just you and me (me) and nobody else (oh else)
When you dance with me
you touch my soul
{you touch my soul-ol-oul}

when you dance with me (dance)
when you hold me tight (tight)

i can feel your heartbeat (heart) close to mine (mine)
I'm so afraid cause i never wanna let you go (never
wanna let you go)
When you dance with me (dance)
the world stands still (still)
just you and me
