The Winter break is coming up and we'll be out of class.  
I can't wait till I'm with you, hanging out at last.  
Every minute everyday, we're gonna have a blast.  
You are all I need.  
We'll be, dancing underneath the moon, in a foot of  
snow.  
Blasting lucky Christmas songs, on the stereo.  
I'll be, hanging mistletoe, everywhere we go.  
I just wanna do, (I just wanna do) everything with you!

Chorus:

I'm dreamin' of a Wild Wild Christmas,  
With my, my baby I wanna go crazy.  
Wild, wild Christmas,  
We can dance till dawn, keep it goin' on.  
And I know, we can be out in the snow, or chillin' out by  
the tree  
It's gonna be a wild, wild Christmas if your with me

(If you're with me)

Tis' the season to be free, and party night and day  
I'll be nothing let it out; I'll show you the way.  
As soon as school as out we go, until new years day.  
As long as I have you (as long as I have you) there's  
nothing we can't do!

I'm dreamin' of a Wild Wild Christmas,  
With my, my baby I wanna go crazy.  
Wild, wild Christmas,  
We can dance till dawn, keep it goin' on.  
And I know, we can be out in the snow, or chillin' out by  
the tree  
It's gonna be a wild, wild Christmas if your with me  
(If you're with me)

(I'm dreamin' of a wild wild Christmas)

Chorus 3 times
