You know I don't like you
You know what you put me through
You never were my favorite

I know you want me back
I know that without a fact
You never were my favorite

I hate being with you
The troubles that you make me go through
You never were my favorite

I'm better without you
I don't give a dam about you
You never were my favorite

I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)

Your games are over now
I still hate you now
You never were my favorite

The songs that make me sing
Aren't anything you bring
You never were my favorite

Now the jokes on you
Everyone knows what you do
You never were my favorite

You probably mad as hell
That I moved on so well
You never were my favorite

I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)

I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite(I never wanna be)
I don't wanna be your favorite
