Take another sip of the premium  
Let's keep the drama down to the minimum  
Just turn the music up to the maximum  
Spin the bottle down, down, down,  
Get down, down, down, now

We need to find a little space  
Take a load off  
Take a little bit of time  
turn the heat up  
Just send the tin man down  
Blow the lid off  
Down, down, down  
Get down, down, down, now

Put your hands up  
If you feel me shout a little bit louder  
Now put your hands up  
If you can't keep yourself from jumpin' around  
Put your hands up  
It ain't gon' bother me if you gotta get yourself free  
HEY! Now put your hands up  
Don't fight the feeling Do Something about it  
Put your hands up  
Put your hands up

Louder  
Louder

Let's dip into the pool with our clothes on  
Let's break up every rule let the meter run  
Forget about your name and where you're coming from  
Spin the bottle down, down, down, get down, down,  
down

We need to find a little space  
Take a load off  
Take a little bit of time  
Turn the heat up  
Just send the tin man down  
Blow the lid off  
Down, down, down

Get down, down, down, now

Put your hands up  
If you feel me shout a little bit louder  
Now put your hands up  
If you can't keep yourself from jumpin' around

Put your hands up  
It ain't gon' bother me if you gotta get yourself free  
HEY! Now put your hands up  
Don't fight the feeling Do Something about it  
Put your hands up  
Put your hands up

Louder  
Louder

Is everybody feeling all right?  
Put your hands up  
Is everybody feeling all right?  
Put your hands up  
Put your, put your hands up, hands up  
Put your hands up  
Put your, put your hands up, hands up  
Put your, put your

Put your hands up  
If you feel me shout a little bit louder  
Now put your hands up  
If you can't keep yourself from jumpin' around  
Put your hands up  
It ain't gon' bother me if you gotta get yourself free  
HEY! Now put your hands up  
Don't fight the feeling Do Something about it  
Put your hands up  
Put your hands up

Louder

Put your hands up  
Now Put your hands up  
Put your hands up  
Now Put your hands up  
Put your hands up

Put your hands up  
If you feel me shout a little bit louder  
Now put your hands up  
If you can't keep yourself from jumpin' around  
Put your hands up  
It ain't gon' bother me if you gotta get yourself free

HEY! Now put your hands up  
Don't fight the feeling Do Something about it  
Put your hands up  
Put your hands up
