Now that the love is gone!

What are we supposed to do?
After all that we've been through.
When everything that felt so right is wrong,
Now that the love is gone (love is gone)

(Chorus)

What are we supposed to do?
After all that we've been through.
When everything that felt so right is wrong,
Now that the love is gone.

There is nothing left to prove,
No use to deny this simple truth.
Can't find the reason to keep holding on,
Now that the love is gone (love is gone)
Now that the love is gone,
What felt so right's so wrong,
Now that the love is gone.

I feel so hurt inside,
Feel so hurt inside,
Got to find the reason.

(Chorus)

Got to find a reason, got to find a reason... (Repeat)
Got to find a reason to hold!!

Love,
There's nothing left for us to say (yeah)
Love,
Why can't we turn and walk away.

(Chorus x2)

Love is Gone!
