She don't care 'bout education
Money is her motivation
He don't live for love and passion
When he can buy his satisfaction

{Refrain: x2}
Money, Money
Get rich or die tryin'
Money, Money
Get rich or die tryin'

Get diamonds and celebrity
Be famous or die tryin'
The power, the luxury
Be a star or die tryin'
{au Refrain}

A driver, a limousine
Be famous or die tryin'
A bodyguard, some jewelry
Be a star or die tryin'

She don't care 'bout education
Money is her motivation
He don't live for love and passion
When he can buy his satisfaction

{au Refrain, x3}
