Yeah, I think I'm gonna leave  
I just had that one drink  
And we've all gotta be up early  
Boys, we oughta shut her down  
Just take it to the house  
'Fore anybody starts getting crazy  
So, I started walking across the floor  
Before I got to the door

Aw naw, somebody just bought a shot of that Patron  
Hang on, I just might have to stay  
Aw naw, look at the time, y'all  
What happened to coats on, long gone  
I should be halfway home, but aw naw

Yeah, girl, I saw you come in  
With all of your girl friends  
Just cutting up and shooting Bicardi  
Yeah, I got my boys with me  
We're just blowing off steam  
Not looking to pick up anybody  
So, I was gonna walk on by  
You turned around and we locked eyes

Aw naw, do you hear that song  
The one that just came on  
Come on, D.J., what you trying to do  
Aw naw, it would be so wrong  
If we didn't dance once  
Show off those jeans you painted on  
Aw naw, aw naw

No, I didn't mean to be here this long  
But I tried to leave, so it ain't my fault  
No, I didn't mean to be holding you

But, tell me, what was I supposed to do

Aw naw, somebody just bought a shot of that Patron

Hang on, we've been here all night long

Aw naw, it would be so wrong

If we didn't dance one more song

Show off those jeans you painted on

Aw naw, yeah, aw naw

Those jeans you painted on, aw naw
