When I fall for love the next time
And I ? back
I won?t let the pain get me down, oh no
And I won?t fight back!

Bridge:

Let the Cupid let you wherever you want to go
Fly to me to the moon like a low jazz love song
Uh, Cupid do what you wanna do?
The choice is yours
But when I get ready, you?re taking me

Chorus:

Love?s gotta remind me
Feel better, better, better!
Love?s gotta remind me
Feel better, better, better!
Cause getting to love is got me losing my mind!

I?ve been wrecking my brain love so insane
Cupid, help me please, cause Mr. Wrong keeps
meeting me!
And I got a funny feeling, love is just around the?
I keep on pushing till love falls for me!
Uh, uh, uh

Bridge:

Let the Cupid let you wherever you want to go
Fly to me to the moon like a low jazz love song
Uh, Cupid do what you wanna do?
The choice is yours
But when I get ready, you?re taking me

Chorus:

Love?s gotta remind me
Feel better, better, better!
Love?s gotta remind me
Feel better, better, better!
Cause getting to love is got me losing

I?m not my best, but I?m right where I need to be

He might not be right here, but he's on his way to me
Love's coming soon, I found my prince
It all be love till I hear love's here!

Better, better, better, yeah, yeah
I wanna feel better, I wanna feel better
Yeah, yeah, yeah better
Love you gotta make me feel better oh better
Cause getting to love is got me losing my mind!
Better, better, better,
So love's gotta make me feel better
Getting to love is got me losing my mind!
