Verse 1:

Sometimes you can work it out
Sometimes you can't
Sometimes your forced to watch everything fall apart,
it's out of your hands
Sometimes leavin is easy
Sometimes it ain't
Sometimes it hurts to know the lovin you had is slowly
fadin away

You can say what eva you like
As long as we just say goodbye

Chorus:

Blame it on me (Blame it on me)
Say it's my fault (Say it's my fault)
Say that I left you outside in the cold with a broken
heart
I really don't care (I really don't care)
I ain't cryin no more
Say I'mma liar a cheater say anything that you want
As long as it's over

Verse 2:

I ain't a quitter
I just ain't that type
I tried to see it through
I tried to make it to the finishin line
Oh you thought it was meant to be, yeah
I admit so did I
Every once in awhile you think you figured it out
Sometimes your not right

You can say what eva you like
As long as we just say good bye

Chorus (1x)

Yes I love you but I really got to loose you
Freedom is where I wanna be
Yes I'll probably Always love you
But I'm movin
I got to do this for me
