Featuring Dunson & Bilal

Lose track of things sometimes  
Forgive my ways, apologize  
Don't remember names all the time  
But all the time I'm true

I'm avangard, hipster  
Shows in the past summer  
Live for the eye spiffster  
But for the all I'm blue  
I'm only cool, no pretense  
I'm on display, no defense  
Sayin what I say, no offense  
I seize the day, I move  
I'm only real, no magic  
Do what I feel, no antics  
Done like a deal, no bashin  
I'm only me, just cool

Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)  
Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)  
Spread light and love and more like that's on the cool,  
wind up free

I try to act modest  
I'm not the star Art is  
I'm just a muse/artist  
And to the art I'm true  
Tryina make my dough honest  
Sometimes I'm real honest  
Sometimes I'm pull on list  
But when I quit I'm blue

Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)

Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)  
Spread light and love and more like that's on the cool,  
wind up free

Look, girl, I just wanna co-exist  
I'm one of a kind, she was kinda the one til she told me  
this  
I'm the one she want but I'm more like Monk  
What's the point of being the loneliest of loneliest?  
What's the point if all my homies and sisters?  
I took you out but never should've spent that  
That will make sense  
Really? Would you take Billy Holiday to Holiday Inn?  
Listen, you could've done better  
I woulda put Ella under my umbrella  
I woulda took Shacka Khan back in '83, do it like J&B  
Bring it a coachella  
But now all she wanna do is style in Milan  
And when we get there she browsin Vuitton  
I guess that's what I gotta go it  
Cuz I ain't tryina blow it  
I'mma play it cool the demise of the whole yea

Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)  
Can the cool be loved anymore?  
Loved anymore (love), loved anymore (swag)  
Loved anymore (love), loved anymore (swag)  
Spread light and love and more like that's on the cool,  
wind up free

Can the cool be loved anymore?  
Can the cool be loved?  
Can the cool, can the cool, can the cool be loved?  
Can the cool be loved anymore?  
Loved anymore, loved anymore  
Loved anymore, loved anymore  
Can the cool be loved anymore?  
Loved anymore, loved anymore  
Loved anymore, loved anymore
