You ask me how I'm doin'
Since we've gone, our separate ways
I wish I could say, there's someone new
But I still think about you Night and Day

And I wish that I was Lyin'
And that's the truth,
I wish I was Lyin'
I wish I was Lyin'
I wish I was Lyin' next to you

I'll meet someone, and tell her I'll call,
Though I know I'm not goin' to
Close as she comes to bein' perfect,
She can't help it, she's not you

And I wish that I was Lyin'
And that's the truth,
I wish I was Lyin'
I wish I was Lyin'
I wish I was Lyin' next to you

I Know I should get on with my life
But that's impossible to do
A lifetime just ain't long enough
To get over someone like you

And I wish that I was Lyin'
And that's the truth,
I wish I was Lyin'
I wish I was Lyin'
I wish I was Lyin' next to you
