They're comin' across the border by the thousands  
everyday

Lookin' for a better life in the good ol' U.S.A.

Well, everybody's talkin' about the aliens invadin'?

While I'm savin' every dime for a Mexican vacation

Me, I'm headed your way, hasta luego Jose

You say 'Hola', I'll say 'Hi'

When I pass you at the border slap me a high five

You better pack a poncho 'cause it sure gets cold up  
here

Me, I'm headed south for hot women and cheap beer

Here's the keys to my Chevrolet

You can have the house and the bills I pay

Welcome to the good ol' U.S.A.

I'm headed your way, Jose

Cuervo that is

Lil' sunshine, some margaritas

Cabo San Lucas, maybe go see Chichinitza

I love that word

Up here we work our asses off just tryin' to get ahead  
But you can't spend a dollar if you've worked yourself  
to death

From what I hear your way of life is an afternoon siesta

Then back to work for a little while for an all night long  
fiesta

Me, I'm headed your way

Well, sounds to me like a pretty fair trade

You say 'Hola', I'll say 'Hi'

When I pass you at the border slap me a high five

You better pack a poncho 'cause it sure gets cold up  
here

Me, I'm headed south for hot women and cheap beer

Here's the keys to my Chevrolet

You can have the house and the bills I pay

Welcome to the good ol' U.S.A.

I'm headed your way, Jose

White sandy beaches  
Pesos and jalapenos  
Palm trees, ocean breeze  
Ah man, Dos Equis

Well, you say 'Hola', I'll say 'Hi'  
When I pass you at the border slap me a high five  
You better pack a poncho ?cause you'll freeze your ass  
off here  
Me, I'm headed south for hot women and cheap beer

Here's the keys to my Chevrolet  
You can have the house and the bills I pay  
Me, I'm kickin? back in the Mexican shade  
I'm headed your way, Jose

Yeah, I'm hittin? the road, man  
Give me a little burro to ride on  
You can have my car, that gas is killin? me
