I'm out on the highway  
Just about mile away  
Meet me out in the drive way  
I'm gonna be there soon

I'll swing by and pick you up  
Don't bother getting fixed up  
Me and you in this old truck  
We'll find something to do

No, I ain't got no plan in mind  
It's such a perfect night  
So, I just thought  
If we could go get lost

Lost, down some old back road  
Lost, in a song on the radio  
Lost, in your deep blue eyes  
I don't care if we spend all night  
Lost, by the river cross or turnpikes

Somewhere near nowhere  
Is my favorite thing to do  
What you say girl, me and you  
Go get a little lost

C'mon, baby, lets go  
When we get there we'll know  
No bars on the cell phone  
Sounds good to me

We can find us a place to park  
By the water, underneath the stars  
And do a little fishing in the dark  
If you know what I mean

Well, all we need is a tank of gas  
So, grab that GPS, and turn it off  
Let's go get lost

Lost, down some old back road  
Lost, in a song on the radio

Lost, in your deep blue eyes  
I don't care if we spend all night  
Lost, by the river cross or turnpikes

Somewhere near nowhere  
Is my favorite thing to do  
What you say girl, me and you  
Go get a little lost

No, I ain't got no plan in mind  
It's such a perfect night  
So, I just thought  
If we can get

Lost, down some old back road  
Lost, in a song on the radio  
Lost, in your deep blue eyes  
I don't care if we spend all night  
Lost, by the river cross or turnpikes

Somewhere near nowhere  
Is my favorite thing to do  
What you say girl, me and you  
Go get a little lost
