Tomorrow I'm gonna leave here  
I'm gonna let you go and walk away like every day I  
said I would  
And tomorrow, I'm gonna listen  
To that voice of reason inside my head telling me that  
we're no good

But tonight I'm gonna give it one last time  
Rock you strong in these arms of mine  
Forget all the regrets that are bound to follow

We're like fire and gasoline  
I'm no good for you, you're no good for me  
We only bring each other tears and sorrow  
But tonight, I'm gonna love you like there's no

Tomorrow I'll be stronger  
I'm not gonna break down and call you up when my  
heart cries out for you  
And tomorrow, you won't believe it  
But when I pass your house, I won't stop no matter how  
bad I want to

But tonight I'm gonna give it one last time  
Rock you strong in these arms of mine  
Forget all the regrets that are bound to follow

We're like fire and gasoline  
I'm no good for you, you're no good for me  
We only bring each other tears and sorrow  
But tonight, I'm gonna love you like there's no  
tomorrow

Baby when we're good, you know we're great  
But there's too much bad for us to think  
That there's anything worth trying to save

But tonight I'm gonna give it one last time  
Rock you strong in these arms of mine  
Forget all the regrets that are bound to follow

We're like fire and gasoline

I'm no good for you, you're no good for me  
We only bring each other tears and sorrow  
But tonight, I'm gonna love you like there's no

Tomorrow, I'm gonna leave here  
I'm gonna let you go and walk away like every day I  
said I would
