Verse 1

Say it with your actions,
Saying what works to me doesn't mean any thing
I don't wanna hear em
Baby you can keep those strings
You might as well not even speak
Many different times before
You were almost out the door.
Then you would say it an I would forget everything.
Well I'm sorry to report
That's not working anymore
Now I need to see it
As if you really mean

Chorus

No more I'm sorry
I love you
I need proof
Baby boy it's all in what you do
I love you
If it's true
Baby boy
It's all in what you do

Verse 2

Say it in your actions
Say it in the way you touch
And the things you do for us
I don't wanna be mean
When it comes to this love
Saying it just ain't enough

Many different times before
You were almost out the door
Then you would say it
And I would forget every thing
Well I'm sorry to report
That's not workin anymore

Chorus
