"Try Jah Love"

When I wake up in the morning the first thing I do,
Is go to the Scriptures. (time with Jah)
And when I rest my head in the evening,
I give thanks to Jah. (thanks to Jah)

So try Jah love, wooh!
He will never let you down, no!
So try Jah love, wooh!
He will never let you down, no!

You know you keep your good friends close,
And your family closer.
But there is One who loves you the most,
He is your Heavenly Father.

So try Jah love, wooh!
He will never let you down, no!
So try Jah love, wooh!
He will never let you down, no!

(Try Jah Love... try Jah Love...)

Won't you taste and see,
That the Lord is sweet, His Love is so fine.
So won't you taste and see,
That Jah love is sweet, His Love is divine.

So try Jah love, wooh!
He will never let you down, no!
So try Jah love, wooh!
He will never let you down, no!

(...)

Some people will be nice,
And they take advantage of you.
(A fair-weather friend)
But He will never leave or forsake you,
He's with you till the end.

So try Jah love, wooh!

He will never let you down, no!
So try Jah love, wooh!
He will never let you down, no!

Come on everybody let's taste,
And see, that the Lord is good.
Come on everybody let's taste,
And see that the Lord is fine.

Come on everybody let's taste,
And see, that the Lord is good.
Come on everybody let's taste,
And see that the Lord is fine
