(Chorus)

Life is short and soon it will be past
It's only what you've done for the Lord that will last.
Render your Heart and count up the cost.
It's only what you've done for the Lord that will last.

One life to live and soon it will be past.
It's only what you've don for Christ that will last.
An when you stand up at the great white throne, you're
all alone, (I say) upon your own.
You've got one life to live, but one life to give,
You cannot rewind your sin, nor wheel and come again
(bring it back and etart it again).
What's done is done under the sun, it may have been
fun but the judgment come so.

(Chorus)

Man looks at the outward apperance but God jugdes
the herat, it's only Jah that knows your every single
thought.
Render (rende) your heart and not your garment, yet
you think that your days them will be sufficient.
It's by grace not by works trough wich you have been
saved, but judgment it is another story. And it really
doens't matter how rigtheous yoou behaved - what was
your motive? What it God's glory?

(Chorus)

It's only what you've done for the Lord that will last. Life
is short, oh so short... Oh my Lord.

(Chorus)

You could lead someone to Christ and that is certain
"for true" but with the wrong herat it doesn't cout for
anything "for you". Man was not made to be put upon
one stage, neither was he made to have his face upon
the front page of a magazine or even a video, unto the
Almighty is where the glory must go. I am just one
beggar showing another where to get some bread.

(So) I'll try not to let the pride reach to my head.

(Chorus)

Life is short, ever so short.
