SITTING AND WATCHING (Fly Away)

Sitting and Watching the whole world go by, if I were a  
bird don't you know that I would fly

Fly away, fly away, fly away home to Mount Zion. (Heb  
12:22)

I've got to open up my wings and fly, well Jesus Christ  
He lifts me higher than high. (Isa. 40:31)

I've got to open up my wings and fly, well don't you  
know I want to fly in the sky

Repeat. Holy Mount Zion were the air is fresh and  
clean, come take a dip from a cool flowing mountain  
stream, sun so high in the sky there aint no need to  
even question why because I know Jah created us all.

And if I were a bird, if I were a bird I would just take my  
little wings and open them up, climb up to the tree top,  
jump off and fly away home. Chorus repeat and fade.
