Long is the road to Mount Zion strong are the arms
That carry me there
Narrow is the road to Mount Zion

Each day is a battle here in Babylon and every moment
That we live is just another day to struggle on.
But still I find my rest under the strength of the
Almighty.

We must let go and let Jah lead the way surrender to
His Majesty

(Chorus):

Surrender, surrender, surrender, surrender.

Long is the road to Mount Zion strong are the arms
That carry me there
Narrow is the road to Mount Zion
So let us walk with nothing to fear

Once I was a slave but now I've been set free,
And though I thought I was a free man,
My soul was in captivity.
Each moment I possess a single thought of Your love for
me,
My heart's so full the joy just overflows,
I know just where I want to be.

(Chorus)

Once I was a slave but now I've been set free.
Each day, each day is a battle down here in Babylon

(Chorus till fade)
