"Beautiful Girl"

Beautiful girl wherever you are
I knew when I saw you you had opened the door
I knew that I'd love again after a long long while
I'd love again.
You said "hello" and I turned to go
But something in your eyes left my heart beating so
I just knew that I'd love again after a long long while
I'd love again.

Refrain: It was destiny's game
For when love finally came on
I rushed in line only to find
That you were gone.

Whenever you are I fear that I might
Have lost you forever like a song in the night
Now that I've loved again after a long long while
I've loved again.

Repeat Refrain

Beautiful girl I'll search on for you
'Til all of your loveliness in my arms come true
You've made me love again after a long long while
In love again
'And I'm glad that it's you
'Hmm beautiful girl
