Would you care for a little dance with me  
i'm so shy i might lose my empathy  
so please forgive me if my words fall wrong  
i'm so clumsy it's not my fault

your eyes are so beautiful  
they make me want to reach the sky  
your eyes are so beautiful  
they make me want to be a better man  
your eyes are so beautiful  
or at least become one  
your eyes are so beautiful  
how could i be worthy of them

would you care for a little walk with me  
i'm scared of darkness and i need to wee  
meanwhile i'll tell you all about the stars  
their density, their distance

your eyes are so beautiful  
they make me want to reach the sky

your eyes are so beautiful  
they make me want to be a better man  
your eyes are so beautiful  
how could i be worthy of them  
your eyes are so beautiful  
but now they're looking at another man

so what if i'm a geek and you're a princess  
at least i know the meaning of respect  
don't bet everything on beauty  
'cause looks just fade away

your eyes are so beautiful  
they make me want to be a good man  
your eyes are so beautiful  
but now they're looking at another one  
your eyes are so beautiful  
i might not be worthy of them  
your eyes are so beautiful  
but he won't love you as i can
