She comes inside,
Been playing football
With the guys,
She's all highfives
And dirty footprints on the floor
Next thing I know she's hanging out
She's got her dress and
High heels on and we're alone
I couldn't ask for nothing more
I love the way
A simple smile reveals it all
She calls my name.

Chorus:

She could be all I'm ever gonna need
She's like a beauty queen
In just her t-shirt and her jeans
She could be just the one
I've waited for
Could be a perfect score and more
(Yeah) she could be, she could be, she could be

Its friday night and her friends
Are home by nine
We hit the show,
Tip the bouncer
Skip the line
Next thing I know,
We're out the door
And now she's dancing in the rain
A fragile flame
Under the pale blue colored light
Ohhh... I love the way
This girl is not afraid to fall
She calls my name.
She's calling out to me

Repeat Chorus

Bridge:

The one in a hundred million

A secret the words been keeping
The music that keeps repeating
Keeps repeating
Inside your mind
Like an angel on your shoulder
That makes your colors bolder
Than you dare
And you want to take her everywhere.

She could be...

Repeat chorus 2x
