Rachelle Ann Go Featuring Christian Bautista - You And Me

You and me we wanted it all
We wanted it all
Passion without pain
Sunshine without rainy days
We wanted it always

You and me we reached for the skies
Even if it was high
Never giving in
Certain we would win the prize
I should have seen it in you eyes

Refrain:
Look how all our dreams came true
You see how I've got me
You see how you've got you

And after all
Just one thing died
A little thing called love
We used to feel inside

Chorus:

You and me we're not like the rest
We once were the best
Back when we were dumb
How did we become so smart
And learned to break each other's heart

(Repeat Refrain)
(Repeat Chorus except last line)

~Cause we almost made it
We almost made it

You and me we're not like the rest
We once were the best

But look what we became
Isn't it a crying shame
That we almost made it
That we almost made it
But we wanted at all
Baby you and me
We wanted at all
