I feel fine now. The past is gone.  
The book reads my name. I've been  
issued a new life.

Stupidity flows, the more you speak  
insanity grows, the more I think  
religious ideals, cross parallels

Static thought, swallowing me  
Crippled mind, all I am is gone  
reality fades, time rules my life  
kaleidoscopic days, lost within cries  
confusion consumes, broken, I bleed

Static thoughts, swallowing me  
Broken wing, horrific dream  
Crippled mind, all I am is gone

Rev.20:12
