They said you wouldn't make it so far [uh-uh]
And ever since they said it it's been hard
But never mind the nights you had to cry
'Cause you would never let it go inside
You work real hard
And you know exactly what you want and need, so
believe
And you can never give up
You can reach your goals
Just talk to your soul and say

I believe I can.
I believe I will.
I believe I know my dreams are real.
I believe I can.
I believe I'll dance.
I believe I'll grow real soon and
That is what I do, believe.

Your goals are dancing in your soul [ah-ha]
And you know that your moves will let them show.
You keep creating pictures in your mind.
So just believe they will come true in time.
It will be find, leave all of your cares and stress behind
And just let it go
Let the music flow inside
Forget all your pain and just start to believe

I believe I can.
I believe I will.
I believe I know my dreams are real.
I believe I can.
I believe I'll dance.
I believe I'll grow real soon and
That is what I do, believe.

Never mind what people say.
Hold your head high and turn away.
With all my hopes and dreams,
I will believe.
Even though it seems it's not for me,
I won't give up, I'll keep it up.

Looking to the sky,
I will achieve all my needs
I will always believe.

I believe I can.
I believe I will.
I believe I know my dreams are real.
I believe I can.
I believe I'll dance.
I believe I'll grow real soon and
That is what I do, believe.
