Rise up, so you can take a stand against the schemes
of evil,
courage, be strong in the Lord and in His mighty
power.
Struggle, not for flesh and blood but against dark
forces,
rulers and authorities of sin from the spiritual world.
Attack, oppose the prince of death in the heavenly
realms,
power from the armor, you must stand your ground.

chorus:

"We will UNITE AS ONE,
we'll stand and FIGHT AS ONE."

Take up the potent shield of faith with which you can
extinguish,
flaming arrows of the one who seeks to slay the
chosen.

Uphold the double edged sword which is the Living
Word,
piercing unlike any other blade judging thoughts and
actions.

Weapons of divine power to destroy all strongholds.
Fighting the good fight of faith intent on final conquest.
Join us disciples of the light in this spiritual warfare,
take hold of eternal life saving souls from hell.

chorus:

Romans 7:23, 8:37, 12:5, Ephesians 4:13, 6:12,
Galatians 3:28, 1 Timothy 6:12, 2 Timothy 2:4
