Their eyes are pointed at you
They watch your every move
The poets will adore you
No matter what you do

Suddenly the question consumes you
What will happen if you fail?
Everyone you held, would they fall with you?
That's a prize too high to pay, so you

Can't give up
No, you can't give in now
Dreamers don't give doubt away
Continue with their masquerade
Can't give up
No, you can't give in now
Oh, no, you can't give up
No you can't give in now

Their eyes are pointed at you
They watch out for mistakes
The serpents will betray you
For their piece of the cake

The sacrifice is greater than imagined
But so is the reward
The game is such you see, it's all or nothing
And those who win, they must make sure that they

Can't give up
No, you can't give in now
Dreamers don't give doubt away
Continue with their masquerade
Can't give up
No you can't give in now
Oh, no, you can't give up
No you can't give in now

If you believe, you can't surrender
The truth is this, that they believe in you
But once you're in, you're their defender
When you see this, you'll make it through

So you

Can't give up
No you can't give in now
Dreamers don't give doubt away
Continue with their masquerade
Can't give up
No you can't give in now
Oh, no, you can't give up
No you can't give in now
Dreamers don't give doubt away
Continue with their masquerade
Can't give up
No you can't give in now
Oh, no, you can't give up
No you can't give in now...
