The streets are alive tonight.  
With so many voices.  
But no one's calling out my name.  
I try my best to smile.  
But all I wanna do is cry.  
Falling into cricles.  
Point the finger, take the blame.

And as I stand, I start to wonder.  
How did I let this get this far.  
It was you who cast this spell I'm under.  
I can't breathe when we're apart.

Follow the river.  
Into these eyes of mine.  
One more time.  
There we can try to remember.  
Memories of days gone by.  
I'll be yours forever just.  
Follow the river.  
Into these eyes of mine.  
I'll be yours for all time.

As hours pass us by.  
Another wasted moment.  
Another chance to start again.  
Sometimes it feels just like.  
I'm in the ocean.  
Left here to fight against the waves.

And as I speak, I start to open.  
There's nothing left for me to hide.  
I think about the words unspoken.  
And I can't leave the past behind.

Follow the river.  
Into these eyes of mine.  
One more time.  
There we can try to remember.  
Memories of days gone by.  
I'll be yours forever just.

Follow the river.  
Into these eyes of mine.  
I'll be yours for all time.

And I don't know how.  
I'll ever laugh again.  
Since I lost your love.  
Life just hasn't been the same.

Follow the river.  
Into these eyes of mine.  
One more time.  
There we can try to remember.  
Memories of days gone by.  
I'll be yours forever just.  
Follow the river.  
Into these eyes of mine.  
I'll be yours for all time.

I'll be yours for all time.
