And I will be strong.
So you can move on.

But if you change your mind.
You know where to find me.
It's in the hands of time.
Just make sure that you give me a sign.
I'm here if you change your mind.

The choice I've made.
Will never change the way I feel.
This light won't fade.
Nothing's gonna take that away.
At least I found.
The one that I was searching for.
I'll never doubt.
Coz now I know what love is about.

I'll try to pretend.
That this is the end.

But if you change your mind.
You know where to find me.
It's in the hands of time.
Just make sure that you give me a sign.
I'm here if you change your mind.

Though it hurts to let you walk away.
I still keep the hope alive.

So if you change your mind.
You know where to find me.
It's in the hands of time.
Just make sure that you give me a sign.
I'm here if you change your mind.

I'm here if you change your mind.
