MARIA: I have seen true love
Sent from heaven above
Why then can't I dare
To say how much I care
I don't know you well
Still I lie in spell
I could give up so much
Just for one little touch
But when I'm here sleeping
When I dream of you

Then I have courage to tell you that I
Wanna hold you in my arms
I wanna hold you tonight
You're the sun shining so bright

Though I'm far from there
I can hold you so tight

sleeping)
When I dream of you

Together: Then I have courage to tell you that I
Wanna hold you in my arms
I wanna hold you tonight
You're the sun shining so bright
I fell in love with an angel

Maria: Once in your life you get a feeling
(Chris: Oh, once in your life see angels)
The angel that you see is meant just for you
(Chris: Oh yeah)
Whoa, But when I'm here sleeping
When I dream of you

Then I have courage to tell you that I
Wanna hold you in my arms
I wanna hold you tonight
You're the sun shining so bright
I fell in love with an angel

Chris: I feel in love, love with an angel
Maria: whaaa...
