I have seen true love  
Sent from heaven above  
Why then can't I dare  
To say how much I care  
I don't know you well  
Still I lie in spell  
I could give up so much  
Just for one little touch  
But when I'm here sleeping  
When I dream of you

Then I have courage to tell you that I  
Wanna hold you in my arms  
I wanna hold you tonight  
You're the sun shining so bright

That you'll never could feel like me

When I dream of you

Then I have courage to tell you that I  
Wanna hold you in my arms  
I wanna hold you tonight  
You're the sun shining so bright  
I fell in love with an angel

The angel that you see is meant just for you

(Oh yeah)  
Whoa, but when I'm here sleeping  
When I dream of you

Then I have courage to tell you that I  
Wanna hold you in my arms  
I wanna hold you tonight  
You're the sun shining so bright  
I fell in love with an angel

I feel in love, love with an angel  
whaaa...
