What are you gonna do
When you grow up?
They've been askin me tha since school
What are dreams made of
If not this moment?
Who says we can't
Make our own set of rules?

After all
You just feel what's right or wrong
After all
We all have to sing our own songs

I'll just make it up as I go
I'm tha star in my own show
And I don't care what they say
I will make it anyway
Unless God has some sort of plan
You just have to understand
I will let push come to shove
And I'll make it up as I go

I've heard it all before
You won't get nowhere
Whitout aiming for a goal
Well, it's mean to be
It will surely happen
I can't interfere
While heaven's on a roll

Coz after all
You just feel what's right or wrong
And after all
We all have to sing our own songs

I'll just make it up as I go
I'm tha star in my own show
And I don't care what they say
I will make it anyway
Unless God has some sort of plan
You just have to understand
I will let push come to shove

And Iâ€™ll make it up as I go

I donâ€™t need nobody
Whoâ€™s to tell me what to do
Donâ€™t even think about it
I just canâ€™t explain to you
Itâ€™s just how it is
I guess it all comes down to this

Iâ€™ll just make it up as I go
Iâ€™m tha star in my own show
And I donâ€™t care what they say
I will make it anyway
Unless God has some sort of plan
You just have to understand
I will let push come to shove
And Iâ€™ll make it up as I go
