Looking at you.  
How could I ever be so blind?  
I didn't really comprehend.  
The treasure in my arms.  
Looking around.  
Hoping to capture destiny.  
There it was right in front of me.  
Wish I could turn back time.

So what more can I say?  
There's nothing else I can do.  
No matter what path you chose for me.  
I belong to you.  
That's why I leave myself wide open.  
I'm here for you.  
I will sacrifice every moment of my life.  
I'd give up my dreams for you.  
Without I can't breathe.  
You are everything to me.  
I leave myself wide open.

So here I am.  
Suddenly it's come over me.  
Taking me and consuming me.  
Till all I see is you.

What more can I say?  
There's nothing else I can do.  
No matter what path you chose for me.  
I belong to you.  
That's why I leave myself wide open.  
I'm here for you.  
I will sacrifice every moment of my life.  
I'd give up my dreams for you.  
Without you I can't breathe.  
You are everything to me.  
I leave myself wide open.

All this time you were patient.  
Watching, waiting.  
Now I beg your forgiveness.

Just tell me how to make amends.

Wide open.

I'm here for you.

I will sacrifice every moment of my life.

I'd give up my dreams for you.

Without you I can't breathe.

You are everything to me.

I leave myself wide open wide open.

I'm here for you.

I will sacrifice every moment of my life.

I'd give up my dreams for you.

Without you I can't breathe.

You are everything to me.

I leave myself wide open.
