She sits alone and wonders,
When is the end of broken dreams?
This isn't what I pictured
She says as tears run down her cheeks.
She needs a friend beside her,
She's looking for a savior.

Hold on, hold on
Someone will find you.
Hold on, hold on
Somebody loves you.

She grabs her coat to leave,
So sure it's gonna be the end.
Another broken family,
Tears are her only friends.
This isn't the life they wanted,
She's hoping that heaven comes through.

Hold on, hold on
Someone will find you.
Hold on, hold on
Somebody loves you
Yeah
Hold on, hold on
You're not drowning this time.
Hold on, hold on
Look for the search lights.

Does anybody care?
Do you even see?
Look past my skin,
Do you see me?
Do you even know what I'm going through?
I need to talk to someone,
Can I talk to you?
Does anybody care?
Does anybody care?
Does anybody care?
Oh

Hold on, hold on

Someone will find you.
Hold on, hold on
Somebody loves you
Yeah
Hold on, hold on
You're not drowning this time.
Hold on, hold on
Look for the search lights.

Hold on, hold on...
